MEMORANDUM FOR: Office of General Counsel

ATTENTION

[REDACTED]

25X1

SUBJECT : JCAE Classified Waste Problems

1. The attached memorandum concerning JCAE classified waste problems has been discussed with the Physical Security Division.

2. For your information, [REDACTED] has installed a SOMAT Automatic Waste Disposal but it is almost up to daily capacity now handling their classified waste. They could accomodate a small amount for a short period of time.

3. Attached is some literature on SOMAT as well as a sample of the final waste product. A firm in Arlington, Virginia, Anderson Enterprises Incorporated, currently employs the use of a portable machine that is used on a door to door basis for the disposal of classified waste.

4. The firm, Anderson Enterprises Incorporated, and its employees hold TOP SECRET facility clearances under the cognizance of the Department of Defense. They have contracts with firms and Government departments throughout the Washington area to dispose of classified waste, such as JCAE problems, on a daily or weekly basis, dependent upon the volume.

5. It may be that you may want to refer the JCAE to the Anderson Enterprises Incorporated since in the near future, with the increase in operations at [REDACTED] they will be up to their capacity.
